April 2019

Thank you for praying with us in lifting up the following needs before our Lord.

Sunday — **FBH International** – We have a number of things on the go this month, please pray for wisdom, guidance, funding and equipment needs to accomplish these goals.

- Production is scheduled to begin the first week of April on a series of update videos.
- We will also begin work on more FBH radio programs for HopeStreamRadio
- For the day to day administration work that is vital to the ministry operation.
- The FBH board of directors will meet in April to discuss and plan for the future of the ministry.

Monday — **Arab World Media** – It has been 60 years now since ArabWorldMedia broadcast their first message into Marrakesh, Morocco. Here are some updates on their work today.

- The response team is currently working with 190 women who have reached out.
- Of the 190 women, 52 of them have already put their trust in Jesus.
- One of these women, “Layla” was baptised recently with her Muslim husband in attendance.
- Layla’s husband is now also in contact with the AWM team and is close to accepting Christ.
- There are more than 800 women who have visited the site, but are not yet open to making contact.

Tuesday — **FEBC Russia** – There has been an increased focus at FEBC Russia on programs talking about raising children with special needs. The listener response to these programs has been very encouraging.

- Natalia called in as she has a daughter born with cerebral palsy.
- Listening to FEBC broadcasts have helped her marriage to survive the stress she has been under.
- These programs have become a source of spiritual and moral support for her and her husband.
- She admits that they are not church goers, but are becoming more and more drawn to God.
- FEBC producers are working to find and invite Natalia to a church in her neighborhood.

Wednesday — **HopeStreamRadio** – We have been very encouraged to see an increase in both the number of people listening to the stream, and the places from which people are tuning in.

- In March, the HSR stream was accessed 785 times across 18 countries.
- We are planning for special Easter programming focusing on the resurrection of our Lord.
- Pray for more people to share our programs with friends who need to hear the Word of God.
- We will be spending more time in April on the development of new content.

Thursday — **Fish Studios** – Recently Nathan has been attending various ministry conferences and has had opportunity to meet other workers with insight into the needs of various regions.

- His program is now going to be broadcast by an online station in Bogota, Colombia
- Pray that God will direct Nathan to those who will be able to partner with him in ministry.
- He was able to spend time with and update friends who have been promoting his radio station.
- Nathan also had a chance to visit with his sister in Nashville, before attending a conference.

Friday — **Ministry Worker** – Alex and Nadia Pastushak live in Ukraine with their young son Mark, they are the producers of the FBH programming for FEBC in their country

- They have a strong desire to glorify God by sharing the Gospel with Ukrainian people.
- Alex and Nadia enjoy a strong connection to young families in their ministry to them.
- Living in Ukraine, they know of the various hardships the people in that country deal with.
- Alex also works as a follow up responder for those who contact the station.

Saturday — **FEBC Ukraine** – Planning and administration continues on the Kiev Evangelism center, to ensure that an adequate building for the center is found.

- The center requires enough space for live audio programming, and video recording.
- The ministry is very dependent on volunteers, so close access to public transportation is essential.
- Pray for a smooth transition from their existing facility, once the new building is ready.
- The vision is to produce materials that will reach 50% of Ukraine's population with the Gospel.
